

# DID YOU KNOW WE DO BIRTHDAY TRAINS?

Host your next birthday party or event at Hunter Park and charter a private train, just for your group!

## 1. Pick a date:

- The Riverside Live Steamer chartered trains run on the second Sunday of each month. Decide on the Sunday that works best for you and talk to our Station Master, Glenn, to find out if that date is available.

## 2. Reserve the date:

- After you have confirmed your date is available, write us a check to hold your spot.
- Chartered trains can run between 10am-2pm, for a maximum of two hours.
- Suggested donation is \$50 per hour.
- Checks should be made out to Riverside Live Steamers, post-dated as the date of your party. We will not deposit the check until after your party.

## 3. Reserve a gazebo:

- Not necessary, but if you'd like a gazebo/picnic shelter for your party then you will need to reserve it through the parks department. Information to do this can be found at the Riverside Parks and Recreation website:  
[https://corweb.riversideca.gov/park\\_rec/](https://corweb.riversideca.gov/park_rec/)
- It is a good idea on the day of your party to arrive early to set up your picnic shelter.
- If you choose not to use a picnic shelter, there are lots of great shady places at Hunter Park to set up for a party.

## 4. Enjoy!

- On the day of your party we hope that you'll have a great time at Hunter Park with the Riverside Live Steamers train. Please keep in mind that young children must be accompanied by an adult; older children may ride alone if they can follow our safety rules.
- Safety rules: Feet must be kept flat on the running boards, sit up straight and don't lean over the side, no photography or video from the train while it is moving.
- Please remember to clean up and remove all party supplies at the end of the day.
